১৩-৪-২০২১

মোঃ শরিফুর রহমান

উপপরিচালক

General Secretariat (GS)

Geneva, 23 March 2021

E-mail: HRerecruit@itu.int

To the Director-General

Circular letter No. 12

Subject: **Vacancy Notice No 18P-2021/SG-SPM/EXTERNAL/P3**

Dear Sir,

The post described in the Annex is to be filled at ITU Headquarters.

The relevant job description with the qualifications required, as well as all other useful information, is annexed hereto.

Administrations are requested to circulate vacancy notices to all potential sources of recruitment including universities, institutes, associations of engineers and the private sector as the case may be.

I would be grateful if Administrations would invite qualified candidates and especially women candidates to apply for the above position not later than 24/05/2021 on ITU web site: <http://www.itu.int/employment/Recruitment/index.html>

The Plenipotentiary Conference adopted the Resolution 48 (Rev. Dubai 2018), affirming that: "...when filling vacant posts by international recruitment, in choosing between candidates who meet the qualification requirements for a post, preference shall be given to candidates from regions of the world which are under-represented in the staffing of the Union, taking into account the balance between female and male staff mandated by the United Nations common system;"

Yours faithfully,

Mr. Houlin ZHAO
Secretary-General

Annexes: **Vacancy Notice No. 18P-2021/SG-SPM/EXTERNAL/P3**

ITU is the leading United Nations agency for information and communication technologies, with the mission to connect the world. To achieve this, ITU manages the radio-frequency spectrum and satellite orbits at the international level, works to improve communication infrastructure in the developing world, and establishes global standards that foster seamless interconnection of a vast range of communication systems. ITU also organizes global Telecom events bringing together the most influential representatives of government and the private sector to exchange ideas and knowledge for the benefit of all.

VACANCY NOTICE NO. 18P-2021/SG-SPM/EXTERNAL/P3

Date of Issue: 23 March 2021

Currently accepting applications

Applications from women are encouraged

Functions: Digital Communication Officer

Post Number: PM04/P3/191

Deadline for Applications (23.59 Geneva CH) : **24 May 2021**

Duration of Contract: 2 years with possibility of renewal for 2 additional years

Type of Appointment: Fixed-term Appointment Duty Station: Geneva, Switzerland

Grade: P3

Organ:

The General Secretariat directs all the administrative and financial aspects of the Union's activities, including the implementation of the provisions of the administrative regulations on operational questions, the dissemination of information on telecommunication matters for operational and other purposes, the provision of legal advice to the Bureaux of the Union and the departments of the General Secretariat, logistic support to the Union's activities including conferences, the coordination of the work of the Union with other international organizations, the dissemination of information to the Member States and Sector Members, press, corporate and individual users of telecommunications and the general public. The General Secretariat is also responsible for the organization of world telecommunication exhibitions and forums.

Organization Unit:

Within the General Secretariat, the Strategic Planning and Membership Department (SPM) advises the Secretary-General on strategic challenges and their implications for the Union in the fast evolving telecommunications/ICT environment; develops forward-looking strategic proposals to the ITU management team with a view to ensuring that the organization meets the objectives assigned by the membership; plans and coordinates the corporate and strategic activities with a view to ensuring their accordance with membership objectives; organizes and provides secretariat services to the Plenipotentiary Conference, Council, and other meetings in the general secretariat

in order to achieve a high level of involvement from Member States and Sector Members, develops and maintains sound relations with Member States, Sector Members and other entities, the UN and other international organizations. The Department is also responsible for providing expert advice on communication and promotion strategies and for developing and implementing the Union's corporate communication plan in cooperation with the three Sectors with a view to promoting ITU leadership in the field of telecommunications and ICT.

Duties / Responsibilities

Under the supervision of the Senior Digital Strategy Officer, the incumbent performs the following duties:

- Provides recommendations on the development and updating of a digital strategy which is to take first-time visitors through to advocacy at relevant digital touch points in their customer journey.
- In line with the Division's strategy and informed by other team's listening, coordinates regular research, mapping, and segmentation of target audiences, ITU members, micro and macro influencers and thought leaders, making sure all content creators are intimately familiar with their personas, goals, challenges, objections, needs, expectations, and perception of ITU.
- Monitors and evaluates key performance indicators for the content delivery and engagement on the Division's channels and platforms and reference to ITU by influencers; tracks and evaluates channel, content, search engine and campaign performance over time; and reports consolidated intelligence to the editorial content team and channel owners.
- Advises content, business and channel owners on the positioning and value added of ITU content, products, and services in the perception of the respective target audience and how to optimize campaign and creative content at the digital touch points on each channel and platform, including web landing pages, to boost progress on key performance indicators.
- Manages communication and information technology and techniques to optimize, for example, but not limited to, social listening; media monitoring; editorial planning; project management; social media advertisement; email and content promotion; surveys and tests; public and influencer relations; content and channel performance; search engine optimization; and user experience.
- Analyses and designs email and content promotion campaigns; paid media; surveys and tests; and ensures optimization of content and channel performance as well as user experience.
- Keeps abreast of digital good practices and standards including but not limited to analytics, reporting and return on investment in social media advertising and other type of paid media.
- Benchmarks other organizations and recommends promotion strategies and tactics based on learned trends and insights.
- Supports social media advertising and posting and engagement on digital touch points including, but not limited to, Instagram, Facebook, Twitter and YouTube.
- Performs other related duties as assigned.

Competencies

- **Core Competencies:** Applying Expertise; Effective Communication; Learning and Knowledge Sharing; Organizational Commitment; Results-Focused, and; Teamwork and Collaboration.
- **Essential Functional Competencies:** Client and Service Orientation; Innovation and Facilitating Change, and; Planning and Organizing.
- **Essential Technical Competencies:** Knowledge of digital strategy, marketing and branding; Competency with social media strategy and marketing; Understanding of SEO, digital metrics and analytics, with the ability to generate, analyse and interpret data; Proficiency in MS Office, Adobe Photoshop, Illustrator, InDesign, HTML, CSS, content management systems (CMS), and UX/UI prototyping tools.

Qualifications required

Education:

Advanced university degree in communications, business, management, digital marketing or a related field OR education from a reputed college of advanced education with a diploma of equivalent standard to that of an advanced university degree in one of the fields above. For internal candidates, a first university degree in one of the fields above in combination with seven years of qualifying experience may be accepted in lieu of an advanced university degree for promotion or rotation purposes. Google Analytics certifications would be an asset.

Experience:

At least five years of progressively responsible experience in digital communications, digital marketing, website delivery projects working with content management systems (CMS), building successful landing pages, campaign tracking, social media platform planning and posting or related field, including at least two years at the international level. A Doctorate in a related field can be considered as a substitute for two years of working experience. Experience contributing to a digital communication strategy in an international organization. Experience with responsive design website development and website migration. Proven experience in building engaging websites and landing pages that drive traffic to digital channels.

Languages:

Knowledge of one of the six official languages of the Union (Arabic, Chinese, English, French, Russian, Spanish) at advanced level and knowledge of a second official language at intermediate level. Knowledge of a third official language would be an advantage. (Under the provisions of Resolution No. 626 of the Council, a relaxation of the language requirements may be authorized in the case of candidates from developing countries: when candidates from such countries possess a thorough knowledge of one of the official languages of the Union, their applications may be taken into consideration.)

Additional Information:

Salary:

Total annual salary consists of a net annual salary (net of taxes and before medical insurance and pension fund deductions) in US dollars and a post adjustment (PA) (cost of living allowance). The PA is variable and subject to change without notice in accordance with the rates as set within the UN Common System for salaries and allowances.

Annual salary from \$ 60,962 + post adjustment \$ 50,172
